

## Keep Your Air Clean & Your Customers Happy

Specifically engineered for vape shops and smoking lounges, the CL1250D-CF is equipped with a 30" MERV-15 bag filter and 7lb. carbon after filter. This combination neutralizes odors and easily contains even the thickest smoke. Keep your environment fresh and comfortable so your guests stay longer.

- ❖ Each unit filters approximately 7,500 cubic feet. In order to create the proper air pattern, we always recommend placing two units.
